KING RECEIVES DORIS KUPFERLE AWARD

FORT WORTH, TX — May 10, 2010 — Carlene King, Cancer Care Services board member and volunteer, received The Doris Kupferle Award at the Kupferle Health Board meeting on April 27, 2010, at Texas Health Harris Methodist Foundation.

The Doris Kupferle Award is given to a breast cancer survivor who has truly gone “above and beyond” in the fight against breast cancer. As a survivor, she is a woman who demonstrates concern, dedication and commitment to console, educate, support, promote and encourage a healing attitude to those who are diagnosed with breast cancer.

Carlene King volunteers with Cancer Care Services as a member of the board of directors and volunteers as a mentor to other cancer patients. “Breast cancer hasn’t taken anything from my life. It has added to my life,” she proclaims.

Cancer Care Services is a nonprofit organization founded in 1946 that provides post-diagnosis support for cancer patients and survivors and their families and caregivers living in Hood, Parker and Tarrant counties in Texas. All emotional, social and spiritual support programs are free and may be accessed by anyone impacted by cancer. Financial assistance is based on a sliding scale, determined by household size and income.
