## **CANCER CARE SERVICES RETAINS SEARCH FIRM**

FORT WORTH, TX — April 22, 2010 — Cancer Care Services has retained The Sandhurst Group to assist in the hiring of an executive director, Board of Directors President Bill Bledsoe announced today.

“We are excited about hiring a leader with a wealth of knowledge, passion and skills,” Bledsoe said. “The Sandhurst Group will work closely with our board of directors and staff to choose someone committed to the mission of Cancer Care Services and our clients.”

Cancer Care Services is a nonprofit organization founded in 1946 that provides post-diagnosis support for cancer patients and survivors and their families and caregivers living in Hood, Parker and Tarrant counties in Texas. All emotional, social and spiritual support programs are free and may be accessed by anyone impacted by cancer. Financial assistance is based on a sliding scale, determined by household size and income.
